Funeral Luncheons

The Funeral Committee of the Council of Catholic Women (CCW) would like to offer our sympathy in your time of loss. One practical way we can show our sympathy is to provide a luncheon or other hospitality for you and your family following the funeral services.

The funeral committee invites members of our parish to provide a variety of food items for lunch. If the family would like to serve a meat and cheese tray, the funeral committee will purchase and serve it, but asks the family to make a reimbursement for this expense. The estimated cost to the family would be $2.00 per person.

- The family is asked to give an estimate of the number of people anticipated for the luncheon.
- CCW can also provide simpler hospitality (coffee, tea, punch and cookies, etc.) if a lunch is not desired.
- Any donation from the family to CCW to help cover incidental expenses is appreciated. Checks should be made out to Council of Catholic Women.

If you have any questions, please contact the parish office at 406.656.2522 and we will be happy to answer them.

Once again, we offer our sincere condolences to you and your family.
