

Intercessions July 4, 2021

Presider: Knowing that we are loved and cared for by our heavenly Father, let us not hesitate to place before him our needs and the needs of the world.

- For the church, may all disciples who listen intently to the word of God, be inspired to share it with others... we pray,
- For our nation on this independence day weekend, may we cherish the gift of freedom and use this gift to promote flourishing life among the whole human family... we pray,
- For those affected by extreme weather, especially the poor and vulnerable, may all people increase their stewardship care of our one earth and our one human family... we pray,
- For families that have been wounded through separation and divorce, may all members find healing, support, and acceptance among the disciples of Jesus... we pray,
- For every one of us in the family of St. Pius X, may we BELIEVE in Jesus with our whole hearts, accepting each day that He is God come into the world for the salvation of all... we pray,
- For the sick, the suffering, and for those who have died, especially _____ ... we pray,

Presider: God of infinite goodness, throughout the ages you have continued to call all people to find shelter and refuge in your love. Hear our prayers that we might embody your peace in the world and help to establish your kingdom of joy. We ask this through Christ our Lord. Amen.
