

Intercessions March 6, 5:00 pm, 2021

**Presider:** In Jesus we find the living water that quenches the deepest thirsting of our souls. With gratitude for this gift and trust in God's love, let us bring our needs before the Lord... Our response is sung.

- For the church, may we strive each day to love others as Jesus loves us... we sing,
- For nations of the world fractured by the sins of racism, segregation, and prejudice, may the Lord of life lead the way to healing and inclusion... we sing,
- For those who are outcast or living on the fringes of society, may the larger community find ways to embrace and include those on the margins... we sing,
- For an end to the pandemic... we sing,
- For our Elect and candidates, may they experience their lives being transformed by God's loving graciousness... we sing,
- For all of us in our parish family, may we drink deeply from the living water of Word and Sacrament and proclaim our joy in Jesus Christ to all we meet... we sing,
- For the sick, the suffering, and for those who have died, especially \_\_\_\_\_ ... we sing,

**Presider:** God, source of life and font of salvation, you have called us here to worship you in spirit and truth. Hear the prayers that we bring before you this day. May the living water of your grace cover us and all creation. We ask this through Christ our Lord. Amen.
